To whom it may concern,

Ube Material Industries to Exhibit at IPF Japan 2023

Ube Material Industries, Ltd. (Head office: Ube City, Yamaguchi Prefecture; President: Yoshiaki Ito) announced today that it would exhibit products at IPF Japan 2023 “International Plastic Fair”.

We would introduce “MOS-HIGE[®]” a highly bio-soluble filler that is effective in reinforcing resins and “SEMELAKE[®]MOS-5G” that is new filler masterbatch.

We look forward to your visit on our booth.
