**Ube Material Industries to Exhibit at PRI
Plastics and Rubber Indonesia 2025**

Ube Material Industries, Ltd. (Head office: Ube City, Yamaguchi Prefecture; President: Yoshiaki Ito) will attend Plastics and Rubber Indonesia 2025.

We will introduce “RF Series” and “LC Series” thermal conductive fillers, which are designed to be filled to give the resin heat dissipation.

We are looking forward to your visit at our booth.
